## I OVERVIEW AND MISSION STATEMENT

---

The Department of Metropolitan Development was designated as the Metropolitan Planning Organization for the Indianapolis Urbanized Area in the early 1970s. Prior to that, regional transportation planning activities began in 1962 for the Regional Study Area<sup>1</sup>. Since then the Metropolitan Planning Area has expanded to include all or portions of eight counties: Marion, Hamilton, Hendricks, Shelby, Morgan, Johnson, Hancock and Boone. The Indianapolis Metropolitan Planning Organization (MPO) provides regional transportation planning services for all jurisdictions within the Metropolitan Planning Area<sup>2</sup>.

Title VI of the Civil Rights Act of 1964 and its implementing regulations require all agencies receiving federal funding to develop and implement plans to ensure that no one is discriminated against on the basis of race, color or national origin in the administration of federal programs.

The purpose of Title VI of the Civil Rights Act of 1964 is to prohibit programs that receive federal funds from discriminating against participants or clients on the basis of race, color or national origin. The intent of the law is to ensure that all persons, regardless of their race, color or national origin, are allowed to participate in these federally funded programs. To insure the Indianapolis MPO and its subrecipients meet their compliance responsibility, the following procedures have been established to provide for monitoring of Title VI compliance activities and complaint processing in all programs, directly or indirectly responsible to the Indianapolis MPO, all of which receive federal funding in whole or part.

---

## II SCOPE

---

The Indianapolis MPO reaffirms its policies to afford all individuals the chance to participate in federally financially assisted programs and adopts the following provision:

*“No person in the United States shall, on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal assistance”*

Title VI prohibits the following actions for recipients of federal assistance. Recipients (hereinafter sometimes referred to as Recipient, Recipients, Subrecipients or Subrecipient) of federal assistance (either directly or through contractual means), on the grounds of race, color, or national origin shall not:

1. Deny a person the chance to participate as a member of a planning or advisory body that is an integral part of the program.
2. Provide a service or benefit to an individual that is inferior (either in quantity or quality) to

### **IV STATEMENT OF ASSURANCES**

---

Financial assistance is conditioned on the subrecipients signing the contracts and providing assurances that the program be operated without discrimination. The Assurance is a contractual obligation through which the recipient promises to comply with Title VI regulations and will take immediate and continuing steps to effectuate this compliance. The assurance obligates the recipient for the period during which federal money is extended. In the case of real or personal property, the assurance obligates not only the recipient, but also any subsequent transferee for the period during which possession or ownership is retained, or during which the property is used for a purpose for which the property has been given. The assurance further acknowledges that the federal financial assistance is extended in reliance on the representations and agreements made in the assurance, and that the government has the right to seek its judicial enforcement.

---

### **V PROGRAMS/ACTIVITIES SUBJECT TO TITLE VI**

---

The Indianapolis MPO receives funding from the following units of government for planning purposes: Indiana Department of Transportation, US Department of Transportation, Federal Highway Administration and the Federal Transit Administration. All programs funded in whole or in part from these sources are subject to Title VI.
