## 02 History

The Indianapolis Metropolitan Planning Organization (Indianapolis MPO or IMPO) is the regional entity that plans and programs federal transportation funds for highways, transit, non-motorized transportation, and other means of moving people and goods for the Indianapolis region. The IMPO works within federal transportation requirements to guide the development of a multi-modal transportation system within the Metropolitan Planning Area (MPA), an area that includes the urbanized area plus areas expected to urbanize by 2030. The Indianapolis MPA currently incorporates 1,520 square miles, 39 jurisdictions, and approximately 1.5 million residents. The IMPO is leading the development of a Comprehensive Economic Development Strategy (CEDS) for Boone, Hamilton, Hancock, Hendricks, Johnson, Madison, Marion and Morgan counties.

## 03 Context

The IMPO was awarded a grant money to complete a comprehensive economic development strategy (CEDS) for Central Indiana. A portion of this funding came from the US Economic Development Administration (EDA) under the CARES Act with matching grant support provided by the Indy Chamber and the Indiana Economic Development Corporation (IEDC).

## 04 Work Elements

### Project Schedule

- The anticipated start date for the contract will be February 1, 2021
- Final deliverables will be due by February 28, 2022. Interim deadlines are within tasks.

### Tasks

The Indianapolis MPO requests the following tasks as part of the project scope. The consultant may propose a different approach to the project, as long as the following tasks are included. The Indianapolis MPO reserves the right to request changes to the scope, as appropriate, during contract negotiation.

#### 1 Establish an Economic Strategy Committee

The IMPO will invite a broad and diverse group of stakeholders from the public, private, and philanthropic sectors to participate in the economic strategy group. This will include trade and business associations, colleges and universities, local units of government, state agencies, large and small business leaders, and staff of non-profits working on issues related to economic development in the region. Relevant data will be broken down by age and race to identify areas of concern that are not reflected in the aggregate data. The Indy Partnership is a regional economic development business unit initiative of the Indy Chamber and, among other responsibilities with Indy Chamber leadership, leads implementation of Accelerate Indy, which was the brand associated with the current CEDS-like strategy for Central Indiana. The new CEDS will build on the previous and existing business expansion and retention efforts. Data compiled by the Indy Partnership on the progress of Accelerate Indy will be included in the summary. The 2015 CEDS-like strategy that is the broader plan than Accelerate Indy (Indy Chamber-focused) is attached to the RFP. The progress document will be available to the short-listed consultants, if any. This task should be completed by May 31, 2021.

Based on the summary of existing conditions and the SWOT analysis, the IMPO and consultant will work with the strategy committee to identify broad strategies that are meaningful for the region and develop an implementation plan that incorporates the strategies of local, state, and sub-regional economic development organizations. The aim is to create a coordinated Central Indiana strategy for greater coordination, collaboration, and impact. ## 5: Performance Measures

As a part of the planning process, the consultant will work with the IMPO to develop a series of performance measures that the IMPO can track, benchmark against, and report on annually. Performance measures will be based on data that is available and changes on an annual basis, where the IMPO and partners will be able to identify if policy and investment choices are “moving the needle” in the desired direction. After the initial five years, the updated CEDS performance measures will include trends and targets to further inform policy and investment choices made by LEDOs, businesses and local units of government across the region. MPO will pay Contractor within thirty (30) days after receipt of such properly itemized claim forms.

## **SECTION V. GENERAL PROVISIONS**

- 5.01 Independent Contractor. The parties agree that Contractor is an independent contractor as that term is commonly used and is not an employee of MPO. As such, Contractor is solely responsible for all taxes and none shall be withheld from the sums paid to Contractor. Contractor acknowledges that it is not insured in any

manner by MPO for any loss of any kind whatsoever. Contractor has no authority, express or implied, to bind or obligate MPO in any way.

5.02 Subcontracting. The parties agree that Contractor may subcontract, assign or delegate any portion of this Agreement or the services to be performed hereunder. In the event of any such subcontracting, assignment or delegation, Contractor shall remain solely responsible for managing, directing and paying the person or persons to whom such responsibilities or obligations are sublet, assigned or delegated. Contractor shall be responsible for compliance by any person or persons to whom such responsibilities or obligations are sublet, assigned or delegated under this Agreement and Contractor shall be held liable for any such person or persons not following the provisions of this Agreement. MPO shall have no obligation whatsoever toward such persons. Contractor shall take sole responsibility for the quality and quantity of any services rendered by such persons. Any consent given in accordance with this provision shall not be construed to relieve Contractor of any responsibility for performing under this Agreement.

5.03 Necessary Documentation. Contractor certifies that it will furnish MPO, if requested, any and all documentation, certification, authorization, license, permit, or registration required by the laws or rules, regulations and ordinances of MPO, and all other units of local government, the State of Indiana, and the United States. Contractor further certifies that it is now and will remain in good standing with such governmental agencies and that it is now and will maintain its license, permit, registration, authorization, or certification, as applicable, in force during the term of this Agreement. Failure of Contractor to comply with this paragraph shall constitute a material breach of this Agreement.

5.04 Confidentiality.

5.04.1 The obligations of this section shall survive the termination of this Agreement and shall be applicable to the full extent permissible under statutes governing access to public records. Contractor understands that the information provided to it or obtained from MPO during the performance of its services is confidential and may not, without prior written consent of MPO, be disclosed to a person not in MPO's employ except to employees or agents of Contractor who have a need to know in order to provide the services. Further, Contractor's work product generated during the performance of this Agreement is confidential to MPO. The failure to comply in all material respects with this section shall be considered a material breach of this Agreement. Confidential information shall not include information, that: (a) was known by Contractor at the time it was received; (b) is, as of the time of its disclosure or thereafter becomes, part of the public domain through a source other than Contractor; (c) is made known to Contractor by a third person who does not impose any obligation of confidence on Contractor with respect to such information; (d) is required to be disclosed pursuant to governmental authority, law, regulation, duly authorized subpoena or court order whereupon Contractor shall provide notice to MPO prior to such disclosure; or (e) information that is

independently developed by Contractor without references to the confidential information.

5.04.2 Contractor shall not, under any circumstances, release information provided to it by, or on behalf of, MPO that is required to be kept confidential by MPO pursuant to Indiana law except as contemplated by Section 5.04.1, above.

5.04.3 Contractor acknowledges that MPO will not treat this Agreement as confidential information. Use by the public of any document or the information contained therein shall not be considered an act of MPO.

5.05 Records; Audit. Contractor shall maintain books, records, documents and other evidence directly pertinent to performance of services under this Agreement. Contractor shall make such materials available at its offices at all reasonable times during the Agreement period and for three (3) years from the date of final payment under this Agreement for inspection by MPO or any other authorized representative of MPO. At MPO’s request, Contractor will execute all documents reasonably required to confirm or perfect ownership of such Works and any corresponding copyright rights in and to such Works in MPO. Without the prior written consent of MPO, Contractor shall not use, copy or prepare derivative works of the Works, or any parts of them, other than as related to the performance of this Agreement. During the performance of this Agreement, Contractor shall be responsible for loss or damage to the Works while they are in Contractor’s possession or control. Any loss or damage shall be restored at Contractor’s expense. MPO shall have free and unlimited access to the Works at all times and, upon demand, shall have the right to claim and take possession of the Works and all copies. Notwithstanding the foregoing, Contractor shall be entitled to retain a set of its work papers for archival purposes only, in accordance with applicable professional standards.

5.08.4 If, after termination for Contractor's default, it is determined that Contractor was not in default, the termination shall be deemed to have been made for the convenience of MPO. In such event, adjustment of the price provided for in this Agreement shall be made as provided in Section 5.08.2 and the recovery of such price adjustment shall be Contractor's sole remedy and recovery.

5.09 Termination for Failure of Funding. Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of this Agreement by MPO are at any time insufficient or not forthcoming through failure of any entity to appropriate funds or otherwise, then MPO shall have the right to terminate this Agreement without penalty by giving written notice documenting the lack of funding, in which instance this Agreement shall terminate and become null and void on the last day of the fiscal period for which appropriations were received. MPO agrees that it will make its best efforts to obtain sufficient funds, including but not limited to, requesting in its budget for each fiscal period during the term hereof sufficient funds to meet its obligations hereunder in full.

Contractor agrees to indemnify, defend, and hold harmless MPO and their respective officers, agents, officials and employees for any and all third party claims, actions, causes of action, judgments and liens to the extent they arise out of any negligent or wrongful act or omission or breach of any provision of this

Agreement by Contractor or any of its officers, agents, employees or subcontractors regardless of whether or not it is caused in part by the negligence of a party indemnified hereunder.

Such indemnity shall include attorney's fees and all costs and other expenses arising therefrom or incurred in connection therewith and shall not be limited by reason of the enumeration of any insurance coverage required herein. MPO shall not provide such indemnification to Contractor, provided, however, that Contractor shall be relieved of its indemnification obligation to the extent any injury, damage, death or loss is attributable to the acts or omissions of MPO.

5.11 MPO Premises/Facility. Contractor agrees to take all action necessary while on MPO's premises to ensure that anyone performing work under this Agreement, shall not jeopardize, injure, threaten or in any way compromise the health, safety and/or well being of the person at MPO's facility, including, but not limited to its employees. In addition thereto, Contractor agrees to adhere to any and all applicable safety and procedure policies in place and used at MPO's facility. Contractor further agrees that any property situated on MPO's premises and owned by MPO, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by MPO personnel at any time with or without notice.

5.13 Disputes. Contractor shall carry on all work required under this Agreement and maintain the schedule for services during all disputes or disagreements with MPO. No work shall be delayed or postponed pending resolution of any disputes or disagreements except as Contractor and MPO may otherwise agree in writing. Should Contractor fail to continue to perform its responsibilities as regards all non-disputed work without delay, any additional costs incurred by MPO or Contractor as a result of such failure to proceed shall be borne by Contractor, and Contractor shall make no claim against MPO for such costs. MPO may withhold payments on disputed items pending resolution of the dispute.

- 5.14 Non-discrimination. Contractor and its officers, agents, employees, and subcontractors shall not discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to her or his hire, tenure, terms, conditions, or privileges of employment, or any matter directly or indirectly related to employment, because of her or his race, sex, sexual orientation, gender identity, religion, color, national origin, ancestry, age, disability, or United States military service veteran status. Breach of this section shall be regarded as a material breach of this Agreement.
- 5.15 Conflict of Interest. Contractor certifies and warrants to MPO that neither it nor any of its officers, agents, employees, or subcontractors who will participate in the performance of any services required by this Agreement has or will have any conflict of interest, direct or indirect, with MPO.
- 5.16 Non-contingent Fees. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees. For breach or violation of this warranty MPO shall have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.
- 5.17 Force Majeure. In the event that either party is unable to perform any of its obligations under this Agreement – or to enjoy any of its benefits – because of fire, explosion, power blackout, natural disaster, strike, embargo, labor disputes, war, terrorism, acts of God, acts or decrees of governmental bodies or other causes beyond such party’s reasonable control (hereinafter referred to as Force Majeure Event), the party who has been so affected shall immediately give notice to the other and shall take commercially reasonable actions to resume performance. Upon receipt of such notice, all obligations under this Agreement shall immediately be suspended except for payment obligations with respect to services already provided. If the period of nonperformance exceeds sixty (60) days from the receipt of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Agreement.
- 5.18 Applicable Laws; Forum.
- 5.18.1 Contractor agrees to comply with all applicable federal, state and local laws, rules, regulations or ordinances, and all provisions required thereby to be included in this Agreement are hereby incorporated by reference. This includes, but is not limited to, the Federal Civil Rights Act of 1964 and, if applicable, the Drug-Free Workplace Act of 1988. The enactment of any state or federal statute or the promulgation of regulations thereunder after execution of this Agreement shall be reviewed by MPO and Contractor to determine whether the provisions of the Agreement require formal modification.
- 5.18.2 This Agreement shall be construed in accordance with the laws of the State of Indiana. Contractor hereby expressly consents to the personal jurisdiction of the state and federal courts located in Marion County, Indiana

for any lawsuit filed there against Contractor by MPO arising from or related to this Agreement.

- 5.19 Waiver. MPO's delay or inaction in pursuing its remedies set forth in this Agreement, or available by law, shall not operate as a waiver of any of MPO's rights or remedies.
- 5.20 Severability. If any provision of this Agreement is held to be invalid, illegal, or unenforceable by a court of competent jurisdiction, the provision shall be stricken, and all other provisions of this Agreement which can operate independently of such stricken provisions shall continue in full force and effect.
- 5.21 Attorneys' Fees. Contractor shall be liable to MPO for reasonable attorneys' fees incurred by MPO in connection with the collection or attempt to collect, any damages arising from the negligent or wrongful act or omission of Contractor, or from Contractor's failure to fulfill any provisions or responsibility provided herein.
- 5.22 Successors and Assigns. MPO and Contractor each binds itself and its partners, successors, executors, administrators and assigns to the other party of this Agreement and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Agreement; except as otherwise provided herein, Contractor shall not assign, sublet or transfer its interest in this Agreement without the written consent of MPO. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of MPO.
- 5.23 Authority to Bind Contractor. Notwithstanding anything in this Agreement to the contrary, the signatory for Contractor represents that he/she has been duly authorized to execute agreements on behalf of Contractor and has obtained all necessary or applicable approval from the home office of Contractor to make this Agreement fully binding upon Contractor when his/her signature is affixed and accepted by MPO.
- 5.24 Debarment and Suspension.
- 5.24.1 Contractor certifies, by entering into this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from or ineligible for participation in any Federal assistance program by any Federal department or agency, or by any department, agency or political subdivision of the State of Indiana. The term "principal" for purposes of this Agreement means an officer, director, owner, partner, key employee, or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of Contractor.
- 5.24.2 Contractor certifies, by entering into this Agreement, that it does not engage in investment activities in Iran as more particularly described in IC 5-22-16.5.

- 5.24.3 Contractor shall provide immediate written notice to MPO if, at any time after entering into this Agreement, Contractor learns that its certifications were erroneous when submitted, or Contractor is debarred, suspended, proposed for debarment, declared ineligible, has been included on a list or received notice of intent to include on a list created pursuant to IC 5-22-16.5, voluntarily excluded from or becomes ineligible for participation in any Federal assistance program. Any such event shall be cause for termination of this Agreement as provided herein.
- 5.24.4 Contractor shall not subcontract with any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in any Federal assistance programs by any Federal department or agency, or by any department, agency or political subdivision of the State of Indiana.
- 5.25 Compliance With E-Verify Program. Pursuant to IC 22-5-1.7, Contractor shall enroll in and verify the work eligibility status of all newly hired employees of Contractor through the E-Verify Program (“Program”). Contractor is not required to verify the work eligibility status of all newly hired employees through the Program if the Program no longer exists.
- 5.25.1 Contractor and its subcontractors shall not knowingly employ or contract with an unauthorized alien or retain an employee or contract with a person that Contractor or its subcontractor subsequently learns is an unauthorized alien. If Contractor violates this Section 5.24, MPO shall require Contractor to remedy the violation not later than thirty (30) days after MPO notifies Contractor. If Contractor fails to remedy the violation within the thirty (30) day period, MPO shall terminate the contract for breach of contract.
- If MPO terminates the contract, Contractor shall, in addition to any other contractual remedies, be liable to MPO for actual damages. There is a rebuttable presumption that Contractor did not knowingly employ an unauthorized alien if Contractor verified the work eligibility status of the employee through the Program.
- 5.25.2 If Contractor employs or contracts with an unauthorized alien but MPO determines that terminating the contract would be detrimental to the public interest or public property, MPO may allow the contract to remain in effect until MPO procures a new contractor.
- 5.25.3 Contractor shall, prior to performing any work, require each subcontractor to certify to Contractor that the subcontractor does not knowingly employ or contract with an unauthorized alien and has enrolled in the Program. Contractor shall maintain on file a certification from each subcontractor throughout the duration of the Project. If Contractor determines that a subcontractor is in violation of this Section 5.23, Contractor may terminate its contract with the subcontractor for such violation.
- 5.25.4 Pursuant to IC 22-5-1.7 a fully executed affidavit affirming that the business entity does not knowingly employ an unauthorized alien and confirming

Contractor's enrollment in the Program, unless the Program no longer exists, shall be filed with MPO prior to the execution of this Agreement. This Agreement shall not be deemed fully executed until such affidavit is filed with MPO.

- 5.26 Key Persons. The parties agree that the work described in this Agreement to be performed by Contractor is a personal service, highly professional in nature, and that the identity of the individual who is to be personally responsible for such work is of prime importance to MPO. The parties therefore agree that in the event of the death or disability of Contractor, or, if Contractor is a firm, partnership, or corporation, in the event of the death, or disability or termination of employment of anyone understood to be personally responsible for the work described in this Agreement, MPO may, without penalty and in its discretion, terminate this Agreement, and make its own new Agreement with any other party for completion of the work herein described.
- 5.27 Electronic Signature. Contractor and MPO agree to signature both in counterparts and by facsimile.
- 5.28 Method of Payment. Contractor shall submit invoices and accept invoice payments as prescribed by MPO in its sole option and discretion. All invoices shall be submitted via the MPO invoice portal. MPO will not be responsible for any card fees or other bank charges incurred by the Contractor.
- 5.29 Additional Information upon Request. The Contractor shall, upon request of MPO, make available its policies, practices and standards for the hiring of applicants, except as prohibited under IC 22-2-17-3, to the extent such information is related to the provision of services under this Agreement.
- 5.30 Wage Theft/Payroll Fraud. The Contractor shall report, and shall require its subcontractors to report, all complaints or adverse determinations of Wage Theft or Payroll Fraud against the Contractor or its subcontractors to MPO within thirty (30) days of notification of the complaint or adverse determination. If an adverse decision is rendered against the Contractor with respect to services provided to MPO, MPO may terminate this Agreement, reduce the incentives or subsidies to be provided under this Agreement, or seek other remedies. Contractor shall provide a sworn statement on whether the Contractor had any adverse determinations rendered against the Contractor within the preceding three (3) years.
