02 History

The Indianapolis Metropolitan Planning Organization (Indianapolis MPO) is the regional entity that plans and programs federal transportation funds for highways, transit, non-motorized transportation, and other means of moving people and goods for the Indianapolis region. The MPO works within federal transportation requirements to guide the development of a multi-modal transportation system within the Metropolitan Planning Area (MPA), an area that includes the urbanized area plus areas expected to urbanize by 2030. The Indianapolis MPA currently incorporates 1,520 square miles, 39 jurisdictions, and approximately 1.5 million residents. The MPO's staff currently consists of 15 positions in 4 sections, with plans to add 2 more positions within five years.

The Indianapolis Regional Transportation Council (IRTC) Policy Committee is the governing body of the MPO. The IRTC Policy Committee contains the chief elected official, or their appointee, from dues-paying MPO members, including eight (8) counties, eleven (11) cities, and seventeen (17) towns, in addition to nine (9) partner organizations who plan for and/or provide transportation services within the region. The IRTC Technical Committee provides technical advice to the IRTC Policy Committee and is comprised of technical experts from the Central Indiana member agencies.

(view 2.5 minute "What is the MPO" video at indympo.org/who-we-are/about-the-mpo)

03 Context

The Indianapolis Regional Transportation Council's (IRTC) Policy Committee voted unanimously to adopt the MPO Strategic Plan, which details a 3-step growth process for the MPO:

1. Administratively separate from the City of Indianapolis and become an independent regional organization;
2. Expand formal MPO services from a strict focus on transportation to a broader set of services in the areas of land use planning, housing, water planning, and regional economic development, following a "convene, inform, plan, and fund" model of services; and
3. Work with State and regional partners to identify and enable the appropriate regional structure through State legislation.

The MPO has already received a letter redesignating the MPO Policy Committee as Central Indiana's MPO on June 1, 2020, so separating from the City and setting up a stand-alone organization is the most pressing task for the next 18 months.

The MPO will establish a set of internally-led, externally-supported teams to evaluate options and make recommendations about how to form the new organization. The internal team leaders will meet every other week through March 2019, with external advisors brought in as necessary. Internal team leads are not expected to become subject matter experts or sole decision-makers. Instead, they will serve as project managers, tasked with diving deep with the consultant in each topic, documenting the questions

that arise, and keeping the process moving at a relatively brisk pace. The final recommendations will be well-vetted, and will be presented to the MPO's Administrative Committee throughout 2019 and 2020.

Consultant shall provide a sworn statement on whether the Consultant had any adverse determinations rendered against the Consultant within the preceding three (3) years.

SECTION VII Subcontracting and Assignment of Agreement

The Consultant agrees to perform the work within its organization except for specialized service. No portion of the Agreement shall be subcontracted, assigned, or otherwise disposed of without the consent of the Planning Agency. The consent to subcontract, assign, or otherwise dispose of any portion of the Agreement shall not be construed to relieve the Consultant of any responsibility for the fulfillment of the Agreement.

SECTION VIII Employment

Attachment C, covering City, State and U.S. Department of Transportation Regulations on Nondiscrimination and attached to this Agreement is to be considered an integral part hereof and is to be complied with by the Consultant on this study.

- A. The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant, to solicit or secure this Agreement and that he has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Consultant, any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon, or resulting from the award or making of this Agreement. For breach or violation of this warranty, the Planning Agency shall have the right to annul this Agreement without liability or in its discretion to deduct from the agreement price or consideration or otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.
- B. Consultant and its officers, agents, employees and subcontractors shall not discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to her or his hire, tenure, terms, conditions, or privileges of employment, or any matter directly or indirectly related to employment, because of her or his race, sex, sexual orientation, gender identity, religion, color, national origin, ancestry, age, disability, or United States military service veteran status. Breach of this section shall be regarded as a material breach of this Agreement.
- C. In connection with the performance of this Agreement, the Consultant will cooperate with the City in meeting its commitments and goals with regard to the maximum utilization of

disadvantaged business enterprises, and will use its best effort to ensure that disadvantaged business enterprises shall have the maximum practicable opportunity to compete for sub-contract work under this contract.

SECTION IX Disadvantaged Business Enterprise Program

A. General

1. Notice is hereby given to the Consultant or subcontractor that failure to carry out the requirements set forth in 49 CFR, Part 26 shall constitute a breach of contract and, after notification, may result in termination of the contract or such remedy as the Planning Agency deems appropriate.

2. The referenced section requires the following policy and Disadvantaged Business Enterprise (DBE) obligation to be included in all subsequent agreements between the Consultant and any subcontractor:

a. It is the policy of the Indiana Department of Transportation that Disadvantaged Business Enterprises, as defined in 49 CFR, Part 26, shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds under this contract. Consequently, the DBE requirements of the 49 CFR, Part 26, apply to this contract.

b. The Consultant agrees to ensure that Disadvantaged Business Enterprises, as defined in 49 CFR, Part 26, have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with Federal funds provided under this contract. In this regard, the Consultant shall take all necessary and reasonable steps, in accordance with 49 CFR, Part 26, to ensure that Disadvantaged Businesses Enterprises have the maximum opportunity to compete for, and perform contracts. The Consultant shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of federally assisted contracts.

3. As part of the Consultant's equal opportunity affirmative action program it is required that the Consultant shall take positive affirmative actions and put forth good faith efforts to solicit proposals or bids from and to utilize Disadvantaged Business Enterprise subcontractors, vendors or suppliers.

4. Failure to carry out these requirements shall constitute a breach of contract and, after notification by the Planning Agency, may result in termination of the Agreement by the Planning Agency or such remedy as the Planning Agency deems appropriate.

B. Definitions

The following definitions apply to this section:

1. "Disadvantaged Business Enterprise" means a small Business Concern: (a) which is at least 51 percent owned by one or more Socially and Economically Disadvantaged Individuals, or, in the case of any publicly owned Business, at least 51 percent of the stock of which is owned by one or more Socially and Economically Disadvantaged Individuals; and (b) whose management and daily Business operations are controlled by one or more of the Socially and Economically Disadvantaged Individuals who own it.

2. "Small Business Concern" means a small Business as defined pursuant to section 3 of the Small Business Act and relevant regulations promulgated pursuant thereto.

3. "Socially and Economically Disadvantaged Individuals" means those individuals who are citizens of the United States (or lawfully admitted permanent residents) and who are Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, or Asian-Indian Americans and any other minorities or individual found to be disadvantaged by the Small Business Administration pursuant to section 8(a) of the Small Business Act.

4. "Women Business Enterprises" means a small Business concern: (a) which is at least 51 percent owned by one or more women, or, in the case of any publicly owned Business, at least 51 percent of the stock of which is owned by one or more women; and (b) whose management and daily operations are controlled by one or more of the women who own it.

5. Women Business Enterprises (WBE) are included in the INDOT Disadvantaged Business Enterprise Program. However, WBE's are not to be considered and may not be utilized to comply with Disadvantaged Business Enterprise (DBE) requirements unless the woman or women are Socially and Economically Disadvantaged Individuals.

C. Subcontracts

1. If the Consultant intends to subcontract a portion of the work, the Consultant is required to take affirmative actions to seek out and consider Disadvantaged Business Enterprises as potential subcontractors prior to any subcontractual commitment.
2. The contacts made with potential Disadvantaged Business Enterprise subcontractors and the results thereof shall be documented and made available to the Planning Agency and the FHWA when requested.
3. In those cases where the Consultant originally did not intend to subcontract a portion of the work and later circumstances dictate subletting a portion of the contract work, the affirmative action contacts covered under paragraph C.1. and C.2. of this Section shall be performed.
4. Approval required. The parties agree that Consultant shall not subcontract, assign or delegate any portion of this Agreement or the services to be performed hereunder without prior written approval of Planning Agency. In the event that Planning Agency approves of any such subcontracting, assignment or delegation, Consultant shall remain solely responsible for

managing, directing and paying the person or persons to whom such responsibilities or obligations are sublet, assigned or delegated. Planning Agency shall have no obligation whatsoever toward such persons. Consultant shall take sole responsibility for the quality and quantity of any services rendered by such persons. Any consent given in accordance with this provision shall not be construed to relieve Consultant of any responsibility for performing under this Agreement.

Violation of this Subsection shall constitute a breach of this Agreement.

D. Affirmative Action

The Consultant agrees to establish and conduct a program which will enable Disadvantaged and Women Business Enterprises to be considered fairly as subcontractors and suppliers under this contract. In this connection the Consultant shall:

1. Designate a liaison officer who will administer the Consultant's Disadvantaged Business Enterprise program.
2. Ensure that unknown Disadvantaged and Women Business Enterprises will have an equitable opportunity to compete for subcontracts, so as to facilitate the participation of disadvantaged and Women Business Enterprises.
3. Maintain records showing (1) procedures which have been adopted to comply with the policies set forth in this clause, including the establishment of a source list of Disadvantaged and Women Business Enterprises, (2) awards to top Disadvantaged and Women Business Enterprises on the source list, and (3) specific efforts to identify and award contracts to Disadvantaged and Women Business Enterprises.
4. Cooperate with the Planning Agency in any studies and surveys of the Consultant's Disadvantaged Business Enterprise procedures and practices that the Planning Agency may from time to time conduct.
5. Submit periodic reports of subcontracting to known Disadvantaged and Women Business Enterprise with respect to the records referred to in Subparagraph (3) above, in such form and manner and at such items as the Planning Agency may prescribe.

E. Leases and Rentals

The Consultant shall notify the INDOT when purchases or rental of equipment (other than leases of hauling) are made with Disadvantaged or Women Business Enterprises. The information submitted shall include the name of Business, the dollar amount of the transaction, and the type of purchase made or type of equipment rented.

- F. Unless otherwise specified in this Agreement, the DBE program developed by the Planning Agency and approved by the Federal Highway Administration applies to this project.

SECTION X Compliance with Laws

A. The Consultant shall comply with all applicable federal, state and local laws, rules, regulations and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment of any state or federal statute or the promulgation of rules or regulations thereunder after execution of this Contract shall be reviewed by the State and the Consultant to determine whether the provisions of this Contract require formal modification.

B. The Consultant and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State as set forth in IC § 4-2-6 et seq., IC § 4-2-7, et. seq., the regulations promulgated thereunder, and Executive Order 04-08, dated April 27, 2004. If the Consultant is not familiar with these ethical requirements, the Consultant should refer any questions to the Indiana State Ethics Commission, or visit the Indiana State Ethics Commission website at <http://www.in.gov/ethics/>. If the Consultant or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this Contract immediately upon notice to the Consultant. In addition, the Consultant may be subject to penalties under IC §§ 4-2-6 and 4-2-7.

C. The Consultant certifies by entering into this Contract that neither it nor its principal(s) is presently in arrears in payment of taxes, permit fees or other statutory, regulatory or judicially required payments to the State. The Consultant agrees that any payments currently due to the State may be withheld from payments due to the Consultant. Additionally, further work or payments may be withheld, delayed, or denied and/or this Contract suspended until the Consultant is current in its payments and has submitted proof of such payment to the State.

D. The Consultant warrants that it has no current, pending or outstanding criminal, civil, or enforcement actions initiated by the State, and agrees that it will immediately notify the State of any such actions. During the term of such actions, the Consultant agrees that the State may delay, withhold, or deny work under any supplement, amendment, change order or other contractual device issued pursuant to this Contract.

E. If a valid dispute exists as to the Consultant's liability or guilt in any action initiated by the State or its agencies, and the State decides to delay, withhold, or deny work to the Consultant, the Consultant may request that it be allowed to continue, or receive work, without delay. The Consultant must submit, in writing, a request for review to the Indiana Department of Administration (IDOA) following the procedures for disputes outlined herein. A determination by IDOA shall be binding on the parties.

F. Any payments that the State may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest under IC § 5-17-5.

G. The Consultant warrants that the Consultant and its subcontractors, if any, shall obtain and maintain all required permits, licenses, registrations, and approvals, as well as comply with all

health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the State. Failure to do so may be deemed a material breach of this Contract and grounds for immediate termination and denial of further work with the State.

H. The Consultant affirms that, if it is an entity described in IC Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.

I. As required by IC 5-22-3-7:

(1) the Consultant and any principals of the Consultant certify that (A) the Consultant, except for de minimis and nonsystematic violations, has not violated the terms of (i) IC 24-4.7 [Telephone Solicitation Of Consumers], (ii) IC 24-5-12 [Telephone Solicitations] , or (iii) IC 24-5-14 [Regulation of Automatic Dialing Machines] in the previous three hundred sixty-five (365) days, even if IC 24-4.7 is preempted by federal law; and (B) the Consultant will not violate the terms of IC 24-4.7 for the duration of the Contract, even if IC 24-4.7 is preempted by federal law.

(2) The Consultant and any principals of the Consultant certify that an affiliate or principal of the Consultant and any agent acting on behalf of the Consultant or on behalf of an affiliate or principal of the Consultant (A) except for de minimis and nonsystematic violations, has not violated the terms of IC 24-4.7 in the previous three hundred sixty-five (365) days, even if IC 24-4.7 is preempted by federal law; and (B) will not violate the terms of IC 24-4.7 for the duration of the Contract, even if IC 24-4.7 is preempted by federal law.

SECTION XI Conflict of Interest

- A. Consultant certifies and warrants to Planning Agency that neither it nor any of its officers, agents, employees, or subcontractors will participate in the performance of any services required by this Agreement has or will have any conflict of interest, direct or indirect, with City or Planning Agency.
- B. For Purposes of compliance with IC 36-1-21, Consultant certifies and warrants to Planning Agency that Consultant, or a person who wholly or partially owns Consultant, is not a *relative*, as that term is defined by IC 36-1-21-3, of either the Mayor of Indianapolis, Indiana, or a member of the City-County Council of Indianapolis and Marion County, Indiana.
- C. Consultant certifies, by entering into this Agreement, that it does not engage in investment activities in Iran as more particularly described in IC 5-22-16.5.

SECTION XII Debarment and Suspension

- A. Consultant certifies, by entering into this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from or ineligible for participation in any Federal assistance

program by any Federal department or agency, or by any department, agency or political subdivision of the State of Indiana. The term “principal” for purposes of this Agreement means an officer, director, owner, partner, key employee, or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Consultant.

- B. Consultant shall not subcontract with any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in any Federal assistance programs by any Federal department or agency, or by any department, agency or political subdivision of the State of Indiana.
- C. Consultant shall provide immediate written notice to Planning Agency if, at any time after entering into this Agreement, Consultant learns that its certifications were erroneous when submitted, or Consultant is debarred, suspended, proposed for debarment, declared ineligible, has been included on a list or received notice of intent to include on a list created pursuant to IC 5-22-16.5, voluntarily excluded from or becomes ineligible for participation in any Federal assistance program. Any such event shall be cause for termination of this Agreement as provided herein.

SECTION XIII: Compliance With E-Verify Program

Pursuant to IC 22-5-1.7, Consultant shall enroll in and verify the work eligibility status of all newly hired employees of Consultant through the E-Verify Program (“Program”). Consultant is not required to verify the work eligibility status of all newly hired employees through the Program if the Program no longer exists.

- A. Consultant and its subcontractors shall not knowingly employ or contract with an unauthorized alien or retain an employee or contract with a person that Consultant or its subcontractor subsequently learns is an unauthorized alien. If Consultant violates this Section, Planning Agency shall require Consultant to remedy the violation not later than thirty (30) days after Planning Agency notifies Consultant. If Consultant fails to remedy the violation within the thirty (30) day period, Planning Agency shall terminate the contract for breach of contract. If Planning Agency terminates the contract, Consultant shall, in addition to any other contractual remedies, be liable to Planning Agency for actual damages. There is a rebuttable presumption that Consultant did not knowingly employ an unauthorized alien if Consultant verified the work eligibility status of the employee through the Program.
- B. If Consultant employs or contracts with an unauthorized alien but Planning Agency determines that terminating the contract would be detrimental to the public interest or public property, Planning Agency may allow the contract to remain in effect until Planning Agency procures a new Consultant.
- C. Consultant shall, prior to performing any work, require each subcontractor to certify to Consultant that the subcontractor does not knowingly employ or contract with an unauthorized alien and has enrolled in the Program. Consultant shall maintain on file a certification from each subcontractor throughout the duration of the Project. If Consultant determines that a subcontractor is in violation of this Section, Consultant may terminate its contract with the subcontractor for such violation.

- D. Pursuant to IC 22-5-1.7 a fully executed affidavit affirming that the business entity does not knowingly employ an unauthorized alien and confirming Consultants enrollment in the Program, unless the Program no longer exists, shall be filed with Planning Agency prior to the execution of this Agreement. This Agreement shall not be deemed fully executed until such affidavit is filed with the Planning Agency.

SECTION XIV Responsibility for Claims and Liabilities

The Consultant shall be responsible for all damages to life and property due to negligence of the Consultant, its subcontractors, agents, or employees, while carrying out the activities under this Agreement, and shall be responsible for all parts of the work, both temporary and permanent, until the services under the agreement are declared accepted by the Planning Agency. It is expressly understood that the Consultant shall indemnify, defend, and hold harmless the Planning Agency, the City of Indianapolis, and the Metropolitan Development Commission, the INDOT and their officers, agents, officials, and employees from any and all third party claims, suits, actions, damages, judgments and liens and costs of every name and description to the extent they arise out of any negligent or wrongful act or omission by Consultant or any of its officers, agents, employees or subcontractors, regardless of whether or not it is caused in part by the negligence of a party indemnified hereunder. Such indemnity shall include attorney's fees and all costs and other expenses arising therefrom or incurred in connection therewith and shall not be limited by reason of the enumeration of any insurance coverage required herein. The City shall not provide such indemnification to the Consultant, provided, however, that the Consultant shall be relieved of its indemnification obligation to the extent any injury, damage, death or loss is attributable to the acts or omission of the Planning Agency.

SECTION XV Insurance

Consultant shall, as a condition precedent to this Agreement, purchase and thereafter maintain such insurance as will protect it and City from the claims set forth below which may arise out of or result from Consultant's operations under this Agreement, whether such operations be by Consultant or by its subcontractors or by anyone directly or indirectly employed by any of them, or by anyone directly for whose acts any of them may be liable:

SECTION XVII Termination and Abandonment

A. Termination for Cause or Convenience.

(i) If Consultant becomes insolvent, or if it refuses or fails to perform the work and services provided by this Agreement, or if it refuses to perform disputed work or services as directed pending resolution of such dispute, or if it fails to make payments to subcontractors employed by it, or if it otherwise violates or fails to perform any term, covenant or provision of this Agreement, then Planning Agency may, without prejudice to any other right or remedy, terminate this Agreement in whole or in part, in writing, provided that Consultant shall be given (1) not less than ten (10) calendar days' written notice of Planning Agency's intent to terminate, and (2) an opportunity for consultation with Planning Agency prior to termination. In determining the amount of final payment to be made to Consultant upon such termination for default, if any, no amount shall be allowed for anticipated profit on unperformed services or other work; furthermore, an adjustment shall be made to the extent of any additional costs incurred or reasonably foreseen by Planning Agency to be incurred by reason of Consultant's default.

B. Termination for Failure of Funding. Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of this Agreement by Planning Agency are at any time insufficient or not forthcoming through failure of any entity to appropriate funds or otherwise, then Planning Agency shall have the right to terminate this Agreement without penalty by giving written notice documenting the lack of funding, in which instance this Agreement shall terminate and become null and void on the last day of the fiscal period for which appropriations were received. Planning Agency agrees that it will make its best efforts to obtain sufficient funds, including but not limited to, requesting in its budget for each fiscal period during the term hereof sufficient funds to meet its obligations hereunder in full.

C. Abandonment. If the Planning Agency shall abandon the services herein mentioned, the Consultant shall deliver to the Planning Agency all documents, including tracings, drawings, reports, computations, computer programs, and data processing output, as instruments of services and they shall become the property of the Planning Agency. The earned value of the work performed shall be based upon an audit of the portions of the total services as have been rendered by the Consultant to the date of the abandonment. The payment made to the Consultant shall be paid as final payment in full settlement of all services rendered hereunder.

(i) If at any time the Consultant shall abandon or delay the operation and completion of plans beyond the dates mutually agreed upon by the Planning agency and the Consultant, the Planning Agency may give written notice, as herein provided, of such delay or abandonment and, if the Consultant shall not, within twenty (20) calendar days thereafter, have complied with the requirements of this Agreement then the Planning Agency shall have the power to terminate this Agreement by a second written notice, either mailed or personally delivered. In such event, adjustment of the price provided for in this Agreement shall be made as provided in Subsection A(2)(ii) above and the recovery of such price adjustment shall be Consultant's sole remedy and recovery.

D. Necessary Approvals. The Planning Agency may terminate this Agreement, if, for the current fiscal year, the Planning Agency does not have each of the following: (1) approved annual HPR/PL work program, (2) approved unified work program, and (3) valid MPO-State agreement for Transportation planning.

SECTION XV III Ownership of Documents and Publications Provisions

All documents, including tracings, drawings, reports, computations, computer programs, and data processing output, as instruments of services, are to be the joint property of the INDOT and the Planning Agency. During the performance of the services provided for herein the Consultant shall be responsible for any loss or damage to the documents, herein enumerated, including information furnished by the Planning Agency to the Consultant. The Planning Agency and the INDOT shall have the right to review and inspect the Consultant's activities at any time.
