

Regional PEDESTRIAN PLAN

INDIANAPOLIS MPO

What is the MPO Regional Pedestrian Plan?

The Indianapolis MPO plans for all types of transportation, including walking. This plan will set regional priorities for walkway investments within Central Indiana. The Regional Pedestrian Plan will build on the previous pedestrian planning efforts of counties and communities throughout the region and focus on regional connectivity and facilities for pedestrians.

How can I help?

Be a part of the future of walkway investments within Central Indiana by participating in the Regional Pedestrian Plan. There are many ways to get involved in the planning process.
