May 7th – Maximizing Value Capture by Leveraging Infrastructure Banks, <https://bit.ly/2xmAdMF>

May 14th – Use Transportation Utility Fees to Fund Roadway Maintenance and Enhance Safety, <https://bit.ly/5xmAdMG>

June 18th – Developer Contributions, <https://bit.ly/398Vw1v>

July 23rd – Special Assessment Districts, <https://bit.ly/2UgpBs1>

August 20th – Advertising, Naming Rights, and Sponsorships, <https://bit.ly/2WB1YMg>

September 24th – Tax Incremental Finance Districts and Transportation Reinvestment Zones, <https://bit.ly/2vMB216>

October 22nd – Joint Development and Use of Right-of-Way Agreements, <https://bit.ly/2UqjU9G>

Value capture strategies help cities, counties, townships, and tribes face funding challenges and keep roadways in good condition.

The value capture webinar series features presenters who have successfully used value capture techniques, such as transportation impact fees, special assessments, tax increment finance, transportation utility fees, joint development, and capture value from existing assets, to fund previously unfunded infrastructure projects. Registration is free but limited to 300 participants.
